

North Pike School District

Federal Programs

Title Programs

Title I, Part A – Basic

The purpose of Title I, Part A is to provide our school district with extra resources to help improve instruction in high-poverty schools and to ensure that all children have the same opportunity to meet challenging academic standards. These funds are used to supplement the instructional program for Pre-K through 8th grade.

Title II, Part A – Highly Qualified Teachers and Principals

The purpose of Title II is to improve student academic achievement through effective professional learning opportunities that increase the number of highly qualified teachers in classrooms and enhance the skills of principals and assistant principals in our schools. In addition, these funds are used to provide for class-size reduction teachers. These funds are used for Pre-K through 12th grade.

Title IV, Part A - Student Support and Academic Enrichment

1. Providing students with a well-rounded education including programs such as college and career counseling, STEM, arts, civics and International Baccalaureate/Advanced Placement. 2. Supporting safe and healthy students with comprehensive school mental health, drug and violence prevention, training on trauma-informed practices, and health and physical education. 3. Supporting the effective use of technology that is backed by professional development, blended learning and Ed tech devices.

Title V, Part B – Rural Education Achievement Program (REAP)

The purpose of Title VI is to address the unique needs of rural school districts that frequently lack the personnel and resources needed to compete effectively for federal competitive grants and receive formula grant allocations in amounts too small to be effective in meeting their intended purposes.
