POSITION ANNOUNCEMENT

Position: Teacher Assistant (SPED) 2018-2019

Location: North Pike High School

Salary: District Pay Scale

Reports to: High School Principal

Evaluated by: High School Principal

Job Description:

- Assist in the basic care and personal hygiene needs of students as directed by supervisor. Including but not limited to: feeding, bathroom assistance, mobility, and rudimentary healthcare as qualified.
- Assist responsibility teacher with lesson plan implementation, instructional delivery, assessments, and documentation.
- Travel with students as needed on instructional-related day trips, including job skills training and enrichment.
- Provide social and behavioral education as directed by responsibility teacher.
- Assist in providing an instructional environment that is conducive to the overall growth of students enrolled in the program of study and is safe and orderly.
- Attend and/or participate in professional development related to implementation of instructional program.
- Other duties as required and assigned to fully implement instructional goals for program.

Experience: Experience working with special needs students in an instructional environment preferred. Experience within a public school system a plus.

Deadline: Until Filled
