7th Grade Summer Reading Assignment 2019-2020

Students will choose **one** of the following books to read over the summer. After reading the book, students will answer the five questions below. Questions should be 20 handwritten lines in length or 10 typed lines in length. These lengths are guide lines on how long your answer should be. In other words, a 2-5 sentence answer is not enough. Each answer should include specific text evidence with page numbers found in the book. No books are being sold at NPMS this year. Bring your questions and answers to class on the first day of school.
