

Supporting Students during a School Closure

As part of our preparations for an extended school closing, we want to ensure we have ways for students to keep learning if they are out of school. Two tools that can help are *i-Ready* online lessons that provide instruction and practice based on students' individual needs, and At-Home Activity Packs that provide printable materials aligned to the skills we want them to learn.

Visit [i-Ready.com/AtHome](https://www.i-ready.com/AtHome) for more information and tools to support your child at home during this time.

What is *i-Ready*?

i-Ready online lessons provide students with lessons based on their individual skill level and needs, so your child can learn at a pace that is just right for them. These lessons are fun and interactive to keep your child engaged as they learn. Your student's teacher can also assign lessons that are related to skills they are covering in their teaching and help reinforce what students are learning in class.

As a reminder, your child has already taken the *i-Ready Diagnostic* at school. The results of this adaptive assessment personalize your child's online learning and helps their teacher(s) determine strengths and areas of need.

How do I log in?

On an iPad®:

- Download the free *i-Ready for Students* app from the App Store®. iPad must be compatible with IOS® 11 or above, such as the iPad Air, iPad Air 2, or iPad Pro.
- If your child's district/school:
 - Uses Clever, download the Clever app, log in using their district/school portal credentials, and click on the *i-Ready* icon.
 - Uses a portal that is **NOT** Clever, students should open the Safari® browser, enter their school portal URL and log in, and click on the *i-Ready* icon.
 - Does not use a portal, they should open the *i-Ready for Students* app and log in to *i-Ready* using the credentials provided by their teacher.

iPad®, App Store®, and Safari® are registered trademarks of Apple, Inc.

IOS is a trademark or registered trademark of Cisco in the US and other countries and is used under license.

From a computer:

- If your child's district/school:
 - Uses a portal, your child should log in using their district/school portal credentials and then click on the *i-Ready* icon.
 - Does **NOT** use a portal, your child should visit [i-Ready.com](https://www.i-ready.com) and log in to *i-Ready* directly on a computer using the credential provided by their teacher.

How do I get my child started?

- If your child's school has advised what they should work on, follow this guidance to keep your child's learning aligned with the current curriculum.
- Within the *i-Ready Personalized Instruction* program, your child will be able to select:

1. **Reading lessons or Mathematics lessons:** Note that some schools will have purchased one single subject, in which case your child will only see that option on their screen.
2. **My Path Lessons or Teacher-Assigned Lessons:** My Path lessons are assigned to your child based on their latest results on the *i-Ready Diagnostic*. Note that Teacher-Assigned Lessons will only appear as a choice on the screen if the teacher has manually assigned lessons.
3. **Learning Games:** These games help your child build mathematics skills in fun ways. To access, your child will need to choose Math in the upper left-hand corner of the To Do screen and then click on Learning Games in the bottom navigation bar. Note that Learning Games are available to students if the school is using *i-Ready Mathematics* and has enabled the use of the games for students.
